Congratulations!

We express our hearty congratulations for US Nepal Media Center on the auspicious occasion of its 1st Anniversary Celebration Event. It is the matter of pride that USNepalOnline.com has tremendously attracted the online users of Nepal and abroad and serve the need of people to let them know the latest information and news within the period of one year. On behalf of the Federation of Nepali Journalists (FNJ), I would like to wish the dedicated Nepalese Community News Portal (USNepalOnline.com) to achieve more and continual success in the future.
