Dear Pradeep,

We are delighted to learn that you are celebrating the first anniversary of your USNepalOnline. On behalf of ourselves and the entire Nepalese Americas Council (NAC) family, we congratulate you on your outstanding achievement. You have reached an important milestone with excellence and finesse! You have also contributed a great deal to our community by offering quality information and knowledge and built a firm reputation in our Nepali diaspora around the world.

You can be very proud of the progress you have achieved within such a very short time. You have built USNepalOnline through hard work and service and have filled a critical need in making important and topical information readily available to Nepalis and friends of Nepal around the globe. USNepalOnline has become more than an excellent online source of information; it has become an important part of our global community.

Again, we want to extend sincerest congratulations to you and your team on first anniversary of USNepalOnline and offer our best wishes for your continued success.

With best regards,

Dr. Ambika Adhikari
