Dear Mr. Sherpa and Mr. Thapa:

It gives me a great pleasure to be a part of this first anniversary celebration of the usnepalonline.com news---Congratulation to you and all other staff members.

Your presence has filled a vacuum and has provided us an opportunity to know the fresh news taking place among our Nepali community here and abroad.

The Nepal Center, a non-profit organization, which seeks to create a symbol of unity and identity for all Nepalese living in and beyond NY, by building a Nepal Ghar, envisions fostering and enhancing the well being, unity and visibility of Nepal and Nepalese with related concerns and to promote public understanding of Nepal, its people and culture. We will like to work together with usnepalonline.com and be part of the endeavor.

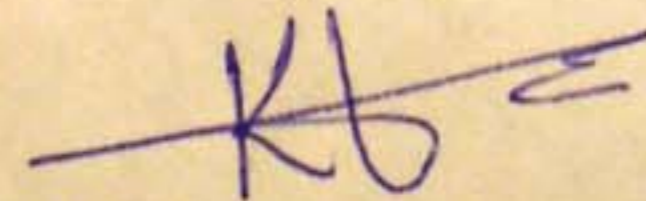

Let us together promote community unity, educational, cultural and social activities directed at furthering the well being and development of the Nepalese community in New York and people with related concerns.

Let us together be instrumental in promoting a better understanding and unity within the Nepalese community and with the people of other nationalities and work for the common goals.

Let us together collect strength and opportunity to continue to celebrate many more future annual celebrations of the usnepalonline.com.

My best wishes to you all.

Thank you.
